PRAY WITHOUT CEASING!

DISCIPLESHIP

LET'S GET PERSONAL HERE

1. Remember a crisis of belief that you faced in the past and how you responded to it. If you are experiencing a crisis of belief now, tell God what you are struggling to trust him for.
2. What changes, if any, should you make in how you experience God through the Bible and prayer.
3. Do you realize that before God can catch you on His wings (see Deuteronomy 32:11), you need to be out of the nest and in the air? What do you need to do to get airborne?
4. Describe some risks you will have to take to fly with God.
5. How safe does God want you to be? Is the center of God's will really the safest place to be?

THANK YOU

Dear Church Family,

Thank you so much for the many things that you have done to show your love and support during Greg's illness and during our time of sorrow.

Please continue to lift our family in prayer, as the healing process begins. There is a void within our hearts that only a strong faith in God can heal. May God richly bless each one of you.

The Family of Greg Kearse

Pastor Ponderings. . .

HELP CHANGE LIVES FOR ETERNITY

Religion that is pure and undefiled before God, the Father, is this; to visit orphans and widows in their affliction, and to keep oneself unstained from the world. James 1:27

Several years ago, some members of a church came across a little boy who didn't have a mother or father. He was in need of a home and really didn't have anywhere to go. But there was a wonderful couple who attended the church who got it in their hearts to receive this little boy into their home.

So after praying about it, the couple took this little 6-year-old boy in. He had a rough upbringing. His parents were alcoholics, and he had been raised by a grandmother who then passed away. So they faced many challenges. But they loved him with the love of Christ and that little boy became their son.

As the people of God, we're called to love those who are the downtrodden of our society. This includes the homeless, the family-less, and the penny-less. And many times, these people can be overlooked as we go about our daily lives, it's crucial the church be at the forefront of caring for them.

So whether it's adoption, working at a homeless shelter, or simply taking time out of your day to love someone who really needs it, find a way to help those in the most need. Show them the love of Christ, and you may just change a life for eternity!

SHOW THE DOWNTRODDEN THE LOVE OF CHRIST, AND HELP CHANGE LIVES FOR ETERNITY!

Bro. Larry
